

Keynote Address

Corrections Technology Association Conference
Scott Kernan / May 21, 2012

SOMS Database

What will SOMS do for CDCR?

- **Improve safety and security by providing immediate access to up-to-date offender data**
- **Reduce the time for certain offender management processes such as:**
 - Reception processing
 - Scheduling and tracking rehabilitative programs
 - Inmate classification and disciplinary
 - Pre-release planning
 - Parole transition and parole supervision
 - Calculating release dates and discharge dates

More SOMS Benefits

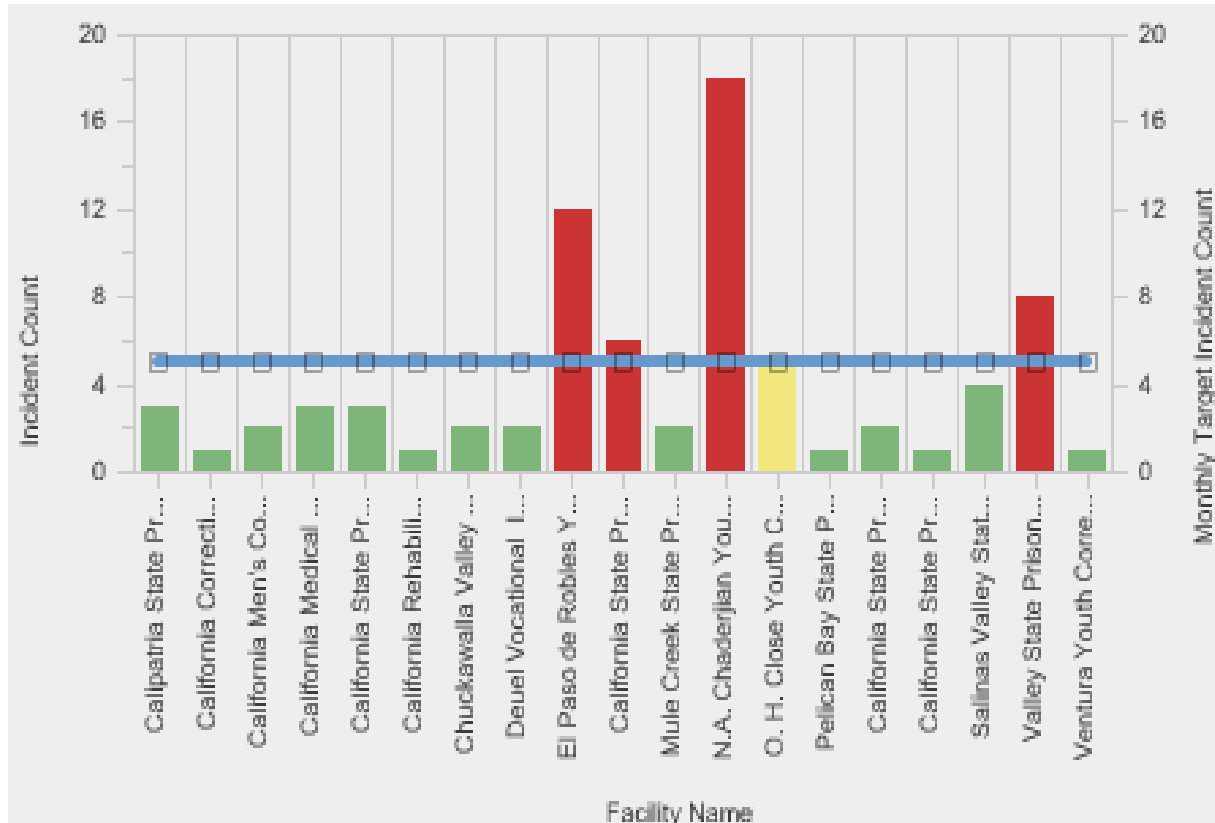

- **Provide immediate and flexible reporting capabilities**
- **Make processes consistent across the organization**
- **Facilitate the sharing of information with law enforcement agencies and the courts**
- **Provide an automated tool for up-to-date tracking of program participation and measurable outcomes**

Sixteen Core SOMS Functions*

Intake	Movement and Count	Transportation	Sentence Calculation
HWD	Gang Tracking	Property	Visitation
Pre-parole	Classification	Scheduling	Discipline
Programs	Grievances	Parole Operations	Administrative Functions

* Matches Corrections Technology Association *Standards for Correctional Systems*

Monthly Assault Incidents vs. Target
