

14th Annual Corrections Technology Conference

Rehabilitation and Re-Entry

The Changing Culture of Technology Use in the Correction Profession

Daniel L. Stewart - Senior Justice Advisor for Cisco Connected Justice™

Chairman (ret.) New York State Commission of Correction

Mayor (fmr.) Plattsburgh, New York

United States Air Force Veteran

1990's – 2000's

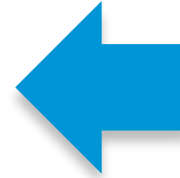

Corrections Culture Shift to Technology Driven Applications

- Telemedicine
- Video Visitation (analog)
- Jail Management Systems
- Physical Security
- Move from Linear to Direct Supervision Construction

More Recent Years

- IP Based Video Visitation (Renovo-Led)
- Economic Pushdown on Shrinking Budgets
- Revenue Share Sources Desired
- Privatization of Correctional Healthcare Grows in Size and Controversy
- Inmate Healthcare Companies Acquisitions/Mergers/Name Changes
- TelePsychiatry Gains Momentum - Telemed Lags
- Continued Attempts of Privatization of State Prisons/County Jails
- Vendors Forced into Value Add Mode and Begin Bundling More Services for Contracts

It's All About The Bundle

2013-2018

What to Expect?

- Cloud Based Services – Major IT Shift -- BYOD
- Services Push to Next Generation Prisons/Jails Construction Endpoints
